

The family access should be provided first (Menu>>> Student Profile>>> Family>>>Family Access)

Step 1: The parent need to click on School Database Login icon on the website;

Step 2: Provided Username and password need to type in the space;

Step 3: They will be able to see all of their child account listed as below and click for each icon for details;

The screenshot displays a web application interface for a school management system. At the top, there is a navigation bar with the 'KYWARD' logo, a 'View All' button, and a 'FAMILY ACCESS' section with a star icon. Below this, there are tabs for 'Student : Student List' and 'Staff : Staff List'. The main content area is titled 'family Access' and features a 'VIEW ALL STUDENTS' button. A large blue arrow points to the right, highlighting the 'Student Profile' icon in the first row of the student list.

The student list is organized into three rows, each representing a different student. Each student's row contains a set of icons for various data points:

- Attendance**: Represented by a graduation cap icon.
- Calendar**: Represented by a calendar icon with the number '31'.
- Discipline**: Represented by a gavel icon.
- Grades**: Represented by a bar chart icon with letters 'A', 'B', and 'C'.
- Health**: Represented by a heart icon with a plus sign.
- Report Card**: Represented by a document icon with 'A+'.
- Schedule**: Represented by a calendar icon.
- Student Profile**: Represented by a graduation cap icon.

For the first two students, there are additional icons on the right side of their rows:

- Submitted 09/08/2017**: Represented by a document icon.
- New**: Represented by a document icon with a plus sign.
- Affected by Hurricane**: Represented by a document icon.
